Description
This agricultural field in Gerasa lies in an open countryside setting, within easy reach of the village centre in the Limassol district. The land covers 7693 m² of sloping, irregularly shaped ground, and its agricultural zoning suits farming or planting. The field has no direct road access. The villages of Apesia and Apsiou are a short drive away, petrol stations are close by, and the Limassol–Paphos motorway is a drive away. This sale is for a half share of the field. It is a versatile piece of agricultural land, set well away from dense urban development.
