Description
A field of 7358 m² in the open countryside of Malia, in the Limassol district, set in a natural landscape well away from dense development. The land has an irregular shape and an uneven surface, and it runs alongside a pathway on one side.

The Malia village centre is a short drive away, and so are the neighbouring villages of Gerovasa and Kedares. Main roads and the Limassol – Paphos Motorway are within a drive. This is a sizeable piece of the Cypriot countryside, surrounded by an unspoilt natural setting.
