Description
Set within the community of Pano Archimandrita in the Paphos district, this field covers 16054 m² of open countryside. It lies in a landscape-led setting away from dense urban development. The ground slopes and the land has an irregular shape, following the natural lie of the area.

The Pano Archimandrita village centre is a short drive away, as are neighbouring Kato Arkhimandrita and Mousere. The Limassol–Paphos motorway is a drive away. The field has no direct road access. It is a generous, sloping piece of the Cypriot countryside.
