Description
In the countryside of Theletra, in the Paphos District, this agricultural field covers 10,368 m² outside the village centre. Its agricultural zoning makes it land for farming or planting. The shape is irregular and the ground slopes steeply. The field has no direct road access.

The villages of Giolou and Miliou are a short drive away, as is Old Theletra, and petrol stations are also within a short drive. This is a large piece of agricultural land within the village of Theletra.
