Description
This field in Dora, Cyprus, covers 8,362 m² of open countryside in the Limassol district, a short drive from the village centre. The neighbouring villages of Gerovasa and Kidasi are also a short drive away, and the Limassol–Paphos Motorway is within easy reach by car.

The land has an irregular shape and a sloping surface, and it has direct road access. Its setting is rural and landscape-led, well away from dense development. This sale is for a half share of the field. It is a sloping piece of the Cypriot countryside with a road running along one side.
