Description
This field in Dora covers 4348 m² of sloping, irregularly shaped ground. It sits in open countryside, away from dense urban development. The village centre is a short drive away, as are the neighbouring villages of Gerovasa and Mousere. The Limassol – Paphos Motorway is within a drive.

The field has no direct road access of its own. It lies within a protection zone. This is a piece of the Cypriot countryside, held in its natural rural setting.
