**Description**
This agricultural field for sale in Pitargou offers a generous 15,051 m² of open countryside in the Paphos district. The ground has a sloping surface and an irregular shape. As agricultural land, it suits farming or planting.

The village centre is a short drive away, and the neighbouring village of Kourdaka is also close by. The field has no direct road access of its own. This is a sizeable, uncomplicated piece of farmland in a rural setting near Pitargou, away from dense urban development.
