Description
A field on the market in Dora, Cyprus, set in open countryside in the Limassol district. The land extends to 5352 m², with an irregular shape and a sloping surface that follows the lie of the landscape.

The village centre is a short drive away, as are the neighbouring villages of Anogyra and Mousere, and the Limassol–Paphos Motorway is within driving distance. The field itself has no direct road access. It sits in a landscape-led setting away from dense urban development. A generous piece of Cypriot countryside on the edge of Dora.
