Description
For sale: a field in Pachna, set in open countryside beyond the village and away from dense development. The land measures 1673 m², with an irregular shape and a sloping surface, and is reached by a dirt track. It is agricultural land, suited to farming or planting.

The neighbouring villages of Agios Amvrosios and Kissousa are a short drive away, there is a petrol station close by, and the Limassol–Paphos Motorway is within a drive. This is an uncomplicated rural plot of farmland in the Pachna area.
