Description
A sizeable agricultural field of 9365 m² in Choulou, set on sloping ground in an open rural landscape away from dense development. It is zoned for agricultural use and suits farming or planting. It could also work as a practical addition to a nearby agricultural holding.

The village centre is a short drive away, as are the neighbouring villages of Lemona and Kourdaka. The field is irregular in shape and has no direct road access. It is a generous, uncomplicated piece of farmland in the Paphos countryside.
