Description
A field for sale in Vouni, Cyprus, set in open countryside a short drive from the village centre. The land measures 2676 m², has an irregular shape and a sloping surface, and is zoned for agricultural use, so it can be farmed or planted. The neighbouring villages of Potamiou and Kissousa are also a short drive away. A petrol station and main roads are a drive away, and the Limassol–Paphos Motorway serves the wider region. The field has no direct road access of its own. This is an uncomplicated rural land purchase. It is a versatile piece of agricultural land in the Vouni countryside.
