Description
For sale in Platanisteia: a share of an enclosed field set in open countryside in the Limassol district. The whole field covers 26,422 m². It has an irregular shape and uneven ground that follows the natural lie of the land.

The village centre is a short drive away, as are Alectora and the two Archimandrita villages. The Limassol - Paphos Motorway is also a short drive away, with petrol stations and motorway junctions further along. This sale is for a half share of the field. It is a sizeable, enclosed piece of the Platanisteia countryside.
