Description
Two adjoining fields in Agios Therapon, sold together as one regular-shaped piece of land, make up this open countryside field in the Limassol district. Together they cover 3262 m², with a sloping surface set in a rural landscape away from dense development.

The village centre is a short drive away, as are neighbouring Lofou and Agios Amvrosios, with a petrol station nearby and the Limassol–Paphos Motorway within a drive. The land itself has no direct road access. It is a simple, uncomplicated rural parcel of useful size in the Agios Therapon countryside.
