For Sale : **€ 5,000**

Description
Two adjoining fields in the countryside of Agios Therapon come together here as one piece of agricultural land. They have a combined area of 4,015 m². The ground is irregular in shape and slopes across the site, in an open countryside setting. The surrounding landscape sits away from dense urban development, and the land is reached by a dirt track.

The village centre is a short drive away, as are the neighbouring villages of Lofou and Agios Amvrosios. The Limassol - Paphos Motorway is within a drive. Sold together as a single unit, the two fields form one sizeable stretch of sloping Limassol countryside.
