Description
This field for sale in Profitis Elias, Sykopetra, sits in an open countryside setting away from dense urban development, with the village itself a short drive away. The land covers 27091 m² of sloping, irregularly shaped ground and is reached by a dirt road. Part of its boundary meets government land. Kampi is also within a short drive, while main roads and a petrol station are a drive away. The Nicosia–Limassol Motorway lies in the wider region, giving links across the district. This sale is for a half share of the field. It is a generous stretch of sloping rural land in the Sykopetra countryside.
