Description
This regular-shaped field sits on sloping, rising ground in Palaichori Morfou, in the open countryside of the Nicosia district. It covers 3679 m², and its neat outline makes the land easy to read on the ground. The village centre is a short drive away, as are the neighbouring villages of Askas and Palaichori Oreinis, with main roads in the wider region. The field has no direct road access. It is an uncomplicated rural land purchase: a well-proportioned hillside field set within the Palaichori Morfou countryside.
