Description
In Koilani, in the Limassol District, this agricultural field of 2,342 m² lies in an area surrounded by forest. It has a regular shape, and the ground is uneven. The land has direct road access along two of its boundaries.

Its agricultural zoning suits farming or planting. The village centre is a short drive away, as is neighbouring Mandria, and the main roads are close by, with the Limassol–Paphos Motorway further out in the wider region. A regularly shaped field with road frontage on two sides.
