Description
A short drive from the village centre, this field in Fyti offers 6,355 m² of agricultural land in an open countryside setting in the Paphos district. The ground is sloping and irregular in shape, and it suits farming or planting in line with its agricultural zoning. The field has no direct road access.

The neighbouring villages of Kritou Marottou and Milia are also a short drive away, and the Limassol to Paphos motorway lies in the wider region. This is a sizeable, uncomplicated piece of farmland in the Paphos countryside.
