Description
Set in the farmland of the Kedares community in the Paphos district, this agricultural field covers 5,686 m² of sloping ground. It lies some way outside the village centre and has an irregular shape. Its agricultural zoning suits farming or planting. The field has no direct road access.

The neighbouring villages of Salamiou, Mesana and Kidasi are each a short drive away. This is a sizeable piece of sloping farmland in the Kedares area.
