Description
Set in open countryside a short drive from the centre of Kelokedara, this agricultural field covers 8027 m² of sloping ground in the Paphos District. Its irregular shape follows the natural lie of the land, and a pathway runs along one boundary.

Zoned for agricultural use, the land suits farming or planting. The neighbouring villages of Trachypedoula and Salamiou are a short drive away, and the Limassol–Paphos Motorway is within reach in the wider region. A versatile piece of Kelokedara countryside, with generous space to cultivate.
