Description
This field in Kelokedara covers 15,720 m² of agricultural land in the Paphos countryside, with direct road access along one boundary. The ground slopes and the plot has an irregular shape. Its agricultural zoning suits farming or planting, in an open setting away from dense urban development.

The village centre is a short drive away, as are the neighbouring villages of Stavrokonnou and Agia Marina Kelokedaron. The Limassol–Paphos Motorway is within a drive, giving links across the district from Kelokedara. This is a sizeable, versatile piece of farmland with room to cultivate.
