Description
In the countryside of Statos-Agios Fotios in the Paphos district, this agricultural field covers 3,679 m². It fronts a public dirt road, which gives it direct road access, and its agricultural zoning suits farming and planting. The village centre is a short drive away, as are the neighbouring villages of Pentalia and Galataria. The Limassol - Paphos Motorway serves the wider region. A sizeable field with a smooth, even surface and its own frontage onto the road.
