For Sale : **€ 4,000**

Description
Set in the open countryside of Pelendri, this agricultural field covers 12,630 m² of sloping ground and has direct access from an asphalted road. Its irregular shape follows the lie of the land, and its agricultural zoning suits farming or planting.

The village centre, petrol stations and neighbouring Amiantos are a short drive away. Main roads are within reach for travel across the wider Limassol district. This sale is for a one-eighth share of the field. It is a practical piece of farmland in Pelendri, with an asphalted road running along one side.
