Description
A generous field of 10,034 m² in the hills of Trachypedoula, set in an open countryside setting with farmland all around. The ground slopes and the plot has an irregular outline, and it is reached by an access road. The land is zoned for agricultural use, giving room to farm or plant. The village centre is a short drive away, as are the neighbouring villages of Prastio and Kidasi, and the Limassol to Paphos motorway is within driving distance. This is a sizeable, uncomplicated piece of agricultural land in the Paphos countryside.
