Description
For sale: a field in Psathi, a farming village in the Paphos countryside. It covers 7358 m² of agricultural land, with a regular, well-proportioned shape and a sloping surface. The land suits farming or planting in an open countryside setting. The field has no direct road access of its own.

The village centre, the neighbouring villages of Polemi and Agios Dimitrianos, and a petrol station are all a short drive away. The Limassol–Paphos motorway is within a drive. This is a sizeable, regularly shaped agricultural field in Psathi.
