Description
Set in the open countryside around Dora, this agricultural field in the Limassol district covers 3,679 m² of land. It has a regular shape and a sloping surface, which gives it a simple, easy-to-read layout. The surroundings are rural, well away from dense urban development. The centre of Dora is a short drive away, as are the neighbouring villages of Gerovasa and Kidasi, and the Limassol - Paphos Motorway is within driving distance. This is an uncomplicated, regular-shaped field on a gentle incline in a landscape-led countryside setting.
