Description
A short drive from the centre of Kelokedara, in the Paphos district, lies an agricultural field of 7,358 m² with a regular shape and a sloping surface. It is reached by an unregistered road, and the Panagia Sinti Monastery is not far away. The villages of Agia Marina Kelokedaron and Trachypedoula are also a short drive off, and the Limassol - Paphos Motorway serves the wider region.

Most of the land lies in an agricultural zone, suited to farming or planting. A small part falls within a protection zone. This is a neatly shaped piece of sloping farmland in the Kelokedara area.
