Description
A field on the market in Avdimou, Cyprus, set in open countryside beyond the village and away from dense development. The land covers 5965 m², with an irregular shape and a sloping surface that follows the lie of the surrounding landscape.

The village centre is a short drive away, as are the neighbouring villages of Prastio Avdimou and Agios Thomas, and the Limassol–Paphos motorway is within easy reach. The field has no direct road access of its own. This is an uncomplicated piece of rural land in the Avdimou area, with sloping ground in an open countryside setting.
