Description
This agricultural field for sale in Fyti sits in open countryside, in a natural setting away from dense development. It covers 2676 m² of farmland, suited to farming, planting or simply holding land in the Paphos district. The ground is uneven, the plot has an irregular shape, and the field has no direct road access. The village centre is a short drive away, as are the neighbouring villages of Lasa and Sarama, with main roads a drive away and the Limassol–Paphos motorway further afield. A practical piece of agricultural land in the Fyti countryside.
