For Sale : **€ 3,500**

Description
Set in open countryside near the centre of Kissousa village, this sloping field covers 2927 m² of irregularly shaped land. It has direct road access along a dirt track. The neighbouring villages of Malia and Potamiou are a short drive away, and the Limassol–Paphos Motorway is within reach for links across the district.

The setting is rural and uncomplicated, away from dense urban development, and the slope of the ground gives the field its shape and outlook over the land around it. This sale is for a half share of the field. It is a straightforward piece of Kissousa countryside, sloping and reached directly by road.
