Description
This parcel of agricultural land in Agios Therapon covers 6355 m² of open countryside, in a landscape-led setting away from dense urban development. The ground is uneven and the shape irregular, leaving the field with a natural, unworked character. It has no road access of its own.

The village centre is a short drive away, as are the neighbouring villages of Lofou and Agios Amvrosios, with a petrol station close by. The Limassol - Paphos Motorway is a drive away. This is a generous field in an open rural corner of the Agios Therapon countryside.
