Description
In the open countryside of Limnatis, this agricultural field covers 15,385 m² of sloping, irregularly shaped ground, suited to farming or planting. Access is by a dirt track. The village centre and the neighbouring villages of Korfi and Apesia are a short drive away.

Main roads and the Limassol–Paphos Motorway are within a drive, so the land is straightforward to reach from the wider Limassol area. This sale is for a one-third share of the field. It is an uncomplicated, versatile piece of rural land in a landscape-led setting away from dense development.
