Description
A field on the market in Kato Mylos, Cyprus, set in open countryside in the Limassol district, away from dense urban development. The land covers 4125 m² of sloping, irregularly shaped ground. It has no direct road access.

The village centre is a short drive away, as are the neighbouring villages of Potamitissa and Agios Ioannis. Petrol stations are close by, main roads are a drive away, and the Limassol - Saittas Motorway lies in the wider region. This sale is for a one-third share of the field. It is an uncomplicated rural land purchase in an open countryside setting.
