For Sale : **€ 3,000**

Description
Set in open countryside near the village of Sykopetra, this enclosed field covers 23,263 m² of rural land in the Limassol district. The ground slopes to the south, with an uneven surface and an irregular shape, and the area around it is known for its beautiful natural surroundings.

The village centre is a short drive away, as are the neighbouring villages of Agios Konstantinos and Profitis Elias. Main roads and a petrol station are within driving distance, and the Nicosia–Limassol motorway is in the wider region. This sale is for a one-half share of the field. It is a sizeable, enclosed piece of Sykopetra countryside, away from dense development.
