Description
A field of 6048 m² in the open countryside of Anogyra, a short drive from the village centre and from neighbouring Prastio Avdimou and Agios Thomas. The land has an irregular outline and sloping ground. It sits in a landscape away from dense urban development and has direct road access.

The Limassol - Paphos Motorway and its junctions are a drive away, connecting the area with both towns. This is a plain, uncomplicated piece of countryside land in the Anogyra area.
