Description
A field listed in Pentalia, set in open countryside in the Paphos district. The land extends to 4348 m² of agricultural ground. It is irregular in shape with a sloping surface, and a pathway runs along one of its boundaries.

The village centre is a short drive away, as are Faleia and Nea Pentalia. The Limassol–Paphos Motorway and its junctions are within reach in the wider region. Its agricultural zoning means it can be used for farming or planting. This is a versatile piece of land in the Pentalia countryside.
