Description
A field on the market in Dora, Cyprus, set in open countryside within the Limassol district. The land extends to 2007 m², with an irregular shape and a sloping surface that follows the natural lie of the ground. It does not have its own road access.

The centre of Dora is a short drive away, as are the neighbouring villages of Mousere and Anogyra. The Limassol - Paphos Motorway can be reached by car. This is an uncomplicated piece of rural land in a landscape-led setting, away from dense urban development.
