Description
This field is on the market in Pissouri, Cyprus, set among the farmland that surrounds this Limassol village. It covers 15051 m² of agricultural land, with sloping ground and an irregular shape that follow the natural lie of the countryside. The setting is open and rural, away from dense urban development. The village centre is a short drive away, as are the neighbouring villages of Platanisteia and Alectora. This sale is for a one-twentieth share of the field. It is a straightforward piece of agricultural land in the Pissouri countryside.
