For Sale : **€ 2,500**

Description
Set in open countryside outside Koilani, this agricultural field covers 6,355 m² of sloping ground for farming and planting. The land is reached by a dirt road. The village centre, petrol stations and main roads are a short drive away, as is neighbouring Mandria, and the Limassol–Paphos motorway lies within the wider region. The field has an irregular shape and an inclined surface, typical of the hill country around the village. This sale is for a half share of the field. It is a versatile piece of agricultural land in the Koilani countryside.
