Description
This agricultural field for sale in Potamitissa, Cyprus, sits in an open countryside setting in the hills of the Limassol district. It covers 3011 m² of farmland, with a sloping surface and an irregular shape that follows the lie of the land. Its agricultural zoning makes it suited to farming or planting. The field has no direct road access. The village centre is a short drive away, as are the neighbouring villages of Dymes and Pelendri, with petrol stations close by and the Limassol - Saittas Motorway in the wider region. This is a versatile piece of agricultural land in Potamitissa.
