For Sale : **€ 2,100**

Description
Set on rising ground in the open countryside of Kalo Chorio, this agricultural field covers 7358 m² of sloping land in the Limassol hills. Its irregular shape follows the natural lie of the terrain, giving a versatile piece of land for farming or planting.

The villages of Zoopigi and Kapileio are a short drive away, as is the village centre, with petrol stations and main roads a little further out. The Limassol–Paphos and Nicosia–Limassol motorways lie in the wider region. This sale is for a one-quarter share of the field. It is an uncomplicated rural plot of sloping agricultural ground in a landscape away from dense development.
