Description
For sale: a field in Sykopetra, a village of the Limassol district, set in an open countryside setting. The land covers 1338 m², with sloping ground and an irregular shape, and sits away from dense urban development. It has no direct road access.

The village centre of Sykopetra is a short drive away, as are the neighbouring villages of Kampi and Profitis Elias. A petrol station and main roads are a drive away, with the Nicosia - Limassol Motorway and a motorway junction in the wider region. This is a straightforward piece of rural land in a landscape-led corner of the district.
