For Sale : **€ 2,000**

Description
Set in an open countryside setting, this sloping field on rising ground in Kaminaria offers a straightforward rural landholding in the Limassol district. The plot covers 5352 m² in total, with an irregular shape and a natural slope that follows the lie of the land. Kaminaria village centre is a short drive away, as are the neighbouring villages of Treis Elies and Agios Dimitrios, and the main roads and a petrol station are within a drive. This sale is for a half share of the field. It is an uncomplicated piece of open land in a landscape-led setting away from dense development.
