Description
Set in an open countryside setting, this agricultural field in Vasa Koilaniou covers 3344 m² of farming land. The ground is irregular in shape with an uneven surface. The field is landlocked and has no direct road access.

The village centre is a short drive away, as are the neighbouring villages of Omodos and Arsos. A petrol station and a main road are within driving distance, and the Limassol – Paphos Motorway serves the wider region. The surroundings are rural, away from dense urban development. This is a versatile piece of agricultural land in a natural setting.
