For Sale : **€ 650**

Description
This open field of 4516 m² lies in the countryside around Sykopetra, in a setting away from dense urban development. The ground is sloping and irregular in shape, and the land has road access. It is a simple, uncomplicated rural land purchase.

The centre of Sykopetra and the neighbouring village of Odou are a short drive away, and main roads are within reach. The Limassol–Saittas and Nicosia–Limassol motorways are further out in the wider region. This sale is for a one-third share of the field. The land sits on a hillside of open countryside, reached by road.
