Agia Napa sets the scene for this sizeable residential field...

For Sale : **€ 180,000**

Description
Agia Napa sets the scene for this sizeable residential field of 5,458 m², a broad stretch of level ground within the municipality. The town centre is a short drive away, as is a good choice of restaurants and cafés, so the pleasures of town life stay within easy reach of home.

The even surface makes the land simple to picture. Its outline is irregular, and its residential zoning gives it a clear general purpose: room for a home, with the wider life of Agia Napa all around it. Imagine settling into a place of your own here, close to the comforts of the town.

The land has no direct road access. The sale is of a 5/6 share of the field.

For anyone drawn to Agia Napa, this level residential land offers a generous canvas and a setting close to the heart of town.
