For Sale : **€ 245,000**

Description
Sotira's village centre is a short drive away, and so are the larger neighbouring towns of Paralimni and Frenaros. Daily needs and village life stay within easy reach. For time outdoors, the nature spot of Paralimni Lake is also a short drive off, a pleasant place to head when the day calls for open air.

The field is large at 8,192 m², with an even surface across its irregular outline. Its residential zoning gives room for a home, and the level ground makes it easy to imagine where a house could stand and how it might face the land around it.

The land has no direct road access.

What stays in the mind is the combination of generous, even land and a residential setting within a short drive of a village centre, two towns and the lake. Here is a chance to shape a home on your own terms in this corner of Famagusta district.
