Description
Within a short drive of Agia Napa Marina and the sands of Makronissos Beach, this large stretch of land in Ayia Thekla brings four neighbouring fields together as one holding of 29,489 m². The beaches, the marina and the restaurants and cafés of the area all lie close by, and Larnaca International Airport is about 30 km away.

The ground is even across its irregular outline, and the land has direct road access along one boundary. It sits in a touristic zone that allows uses such as hotels, houses and tourist villages, so the whole holding can be planned around hospitality and holiday living by the coast.

Sold together as a single unit, the four fields offer one sizeable, level canvas in a coastal setting where the sea and the marina are never far away.
