For Sale : **€ 130,000**

Description
Quiet streets, a purely residential neighbourhood and the easy rhythm of village life set the tone for this field for sale in Palaiometocho, a Nicosia District village with a strong local identity.

At 3,679 m², the land offers a generous expanse with an even surface, and it is zoned for residential use. It is a sizeable piece of ground in calm surroundings, with plenty of room to think and plan.

Daily needs are well covered. Schools, supermarkets, cafés, medical centres and pharmacies are all a short drive away, as are the village centre and the motorway junctions. For weekends, the nature spots of Lefkovounos and Korakas are close by, with walks and open landscape away from dense urban development.

A generous, level piece of residential land in a quiet village setting, with everyday convenience never far away.
