For Sale : **€ 115,000**

Description
Quiet surroundings and a level, open landscape set the tone for this residential field for sale in Deryneia, one of the Famagusta district's most settled communities. With 5,800 m² of flat ground, there is a real sense of space here, the kind that lets you picture a home with room to breathe around it.

The land sits within a residential zone, so its natural use is a family home in a calm local setting. Daily life stays simple: supermarkets and shops, cafés and restaurants, pharmacies and medical centres are all a short drive away, as is the town centre with its public service offices. Neighbouring Frenaros is close by, and Paralimni Lake offers an easy escape into nature when you want fresh air and open skies.

It is an unpretentious setting with a relaxed island rhythm, where everyday convenience and peaceful surroundings sit comfortably together. This sale is for a half share of the field.

A generous stretch of level residential land in quiet Deryneia, with the town's comforts never far away.
